### A Significant Departure.

With the departure of another year when a review is made of the condition of affairs, it is only right that some thought be given to the physical body which enables everyone to battle with life's problem and figure for themselves the profit or loss on the trial balance sheet. Though the bank account may be large and each one's material gain be great, it would not be surprising if it suddenly dawned upon many that good health has been greatly impoverished by the low condition of the blood. It is in this state that the lactic acid in the vital fluid attacks the fibrous tissues, particularly the joints, making known the local manifestations of rheumatism. Thousands of people have found in Hood's sarsaparilla, the great blood purifier, a positive and permanent cure for rheumatism. HOBBON DRUG CO., wholesale agents.

## A MERRY CHRISTMAS

To All Honolulu!

(Copied from Woman's Number of the Time. By Permission.)

Your old friend, "SANTA CLAUS," received a very cordial invitation from the Business Manager of the "Time's" Christmas Number to add his mite to the Kindergarten Fund by purchasing a column of space, for which opportunity he is only too grateful.

Now let me see. What good use can I make of this valuable space? Ah! ha! ha! Ha! ha! I know! I know! I will charter a train from the Oahu Railway and Land Company, and have a grand EXCURSION TO WAIA-NAE on Christmas Day. I will give the "New Occidental" Hotel keeper a surprise party. I am so tickled over the enterprise I have asked that I will pay him myself for every lunch service on Christmas.

Waianae fish make the best chowder to be found in the wide, wide world. Come one, come all! and sample at my expense the delicious chowder at Waianae.

Who pays for the 65 mile ride by rail? Why, I do of course! And who pays me? Why, the people who go will pay me \$1.75 for each round trip ticket, and I will give with each ticket a check for a FREE XMAS LUNCH.

What am I going to do with the money I get for the tickets? People say I have no use for money. No use for money? Well, I like that! Aside from the toys that I bring to the dear children of all ages so much joy, how do they think that I manage to fill so many orders for "sweet charity"? Perhaps it never occurred to them that I frequently take a hand in paying off church debts, or supplying funds to build new ones. Just now, I propose to give the good Methodist people a helping hand in their effort to rear a house of worship free from debt. But since the dear people are so anxious to know what I am going to do with the dollar and seventy-five cents I have asked each one to pay for a delightful ride through a beautiful country with charming scenery, a free bath and good lunch, I will tell them that I will pay for their lunch ticket, settle with the Railway Company and pay every cent of the balance (a fair percentage of the whole) to the Methodist Church Building Fund.

Surely, no one will accuse me of "begging," either for myself or the Church. I simply ask them to a treat to themselves and their loved ones to a delightful outing and in blessing themselves, they will also help a worthy cause.

Train will leave the Honolulu Station for Waianae, Christmas morning at 9:15 and return at 3:30 p.m. Round trip ticket and lunch check, \$1.75. Be good to yourselves and come along.

Santa Claus.

## Kroeger Pianos

All have handsome, tasteful, durable cases, but in their factory constant, careful, studious attention is given to the production of a perfect and lasting tone.
